I am a dedicated and efficient candidate with a solid foundation in engineering and management skills. I have a Bachelor of Engineering in Computer Science and am passionate about leveraging technology to create innovative projects. I am actively seeking a junior engineer position and am eager to contribute my technical skills and knowledge to a dynamic team.

EDUCATION

Bachelor of Engineering (B.E.) in Computer Science and Engineering

Kingston Engineering College, Vellore.
Graduation: 2026
Current CGPA: 8.3

Higher Secondary Education (Class 11th & 12th)

Shrishti Matric Hr.Sec.School,Vellore
Year of Completion:2022
Percentage:85

Secondary Education (Class 9th&10th)

Dr.VGN.Matric.Hr.Sec.School
 Year of Completion: 2020
 Percentage: 96

PROJECTS

Smart Blind Stick - Developed with Arduino and Ultrasonic Sensors

Created a smart blind stick that uses ultrasonic sensors to detect obstacles and emits a beep sound for navigation assistance.

Text-To-Speech Converter - Built using HTML,CSS and Javascript

Developed a web application that converts written text into spoken words, allowing users to listen to the content instead of reading.

Language known
- English
